DAVID PROSSER JR.

MINORITY LEADER □ WISCONSIN STATE ASSEMBLY □ 57TH DISTRICT

A-90-16  
IV-D-46

July 20, 1990

The Honorable William K. Reilly,  
Administrator  
Environmental Protection Agency  
401 M Street, Southwest  
Washington, D.C. 20460

Dear Mr. Reilly:

It has come to my attention that the Environmental Protection Agency is considering permitting the use in this country of a gasoline performance additive known as HiTEC 3000. The additive seems to play a substantial role in reducing smog-producing nitrogen oxide, as well as overall tailpipe emissions from automobiles.

As air pollution is a major concern throughout the country, it is imperative that all options be thoroughly examined as quickly as possible. It is my hope that this additive be given prompt consideration by the Environmental Protection Agency.

Thank you for your consideration.

Respectfully,
